.....RESPONDENTS

ORDER:

None appears.

Challenging the order in Roc (Coopn) No.1745/2005-C dated 29.03.2005 ordering enquiry into the affairs of the Primary Agricultural Cooperative Society, Ranapuram the present writ petition is filed.

The only ground raised in the writ petition is that initiation of second enquiry cannot be made as it is hit by double jeopardy. Even according to the allegations in the writ petition, on the earlier occasion an inspection was made by the concerned authorities. Now the present order shows that a detailed enquiry is ordered. There is a difference between the inspection and enquiry. Even assuming for a moment both stands are on the same footing, the same do not have a bar to the respondents for making enquiry into the irregularities in the society. Therefore, the petitoner does not show any violation of the provisions of the Cooperative Societies Act and as such the writ petition is devoid of merits.

Accordingly, the writ petition is dismissed. No costs.
